Hind Rajab's mom on Columbia students naming Hind's Hall:

"I started crying because I wanted all of these movements & support to come while Hind was still alive."

Hopes protests don't stop till permanent ceasefire.

"Wake up now! Why are others like Hind still going through this?"

Biden said that Hamas has an “ancient desire” to kill Jews. This is an Orientalist and Islamophobic trope that not only provides cover for the brutality of Zionism, but deflects from one of the West’s greatest crimes that it has never fully reckoned with: its deep antisemitism.

This is why reporters don't want to speak to the designated spokesperson. They know they'll get a cogent, thorough explanation of what the movement's demands are and that's disappointing for reporters hoping to portray an entitled hateful mob.
